A Word from Pastor Jeff

As many of you know, Jannette and I are Disney fans. Awhile back we purchased a 1000 jigsaw puzzle of Mickey Mouse. Mickey was made up of a collage of photos from families on vacation at the Disney parks. (See photo). This was not an easy puzzle to put together. More than once a comment was made that there must be some pieces missing.

Sometimes I feel as if my life is a 1000 piece jigsaw puzzle and some pieces ARE definitely missing. I have a hunch I am not the only one who feels that way. Even when I look within the walls of the church, I believe there is brokenness. On Sunday morning as I look out at a very faithful congregation, I have an intuitive feeling that everyone is dealing with something. Sometimes there is a piece or two missing in the puzzle of people’s lives. There are people in our community and in our church who have struggles, pains, missing pieces, brokenness in their lives. God never settles for brokenness or leaves our lives with pieces missing.

I am reminded of the Old Testament personality, Nehemiah and his work in restoring and rebuilding Jerusalem after the destruction and exile into Babylon. Nehemiah is away from his homeland of Jerusalem. He serves as cupbearer to the King of Persia. He is visited by one of his brothers and some others who just arrived from Jerusalem. Nehemiah inquirers about how things are at home. It is not good news. It breaks Nehemiah’s heart. In his mourning he cries out to God for help and asks God to grant him success in

Inspired Sermon Series
7 Sep - 10 Oct

What does it mean to say that the Bible is inspired? How are these ancient writings still relevant for us today? Are all scriptures equally authoritative?

This series, led by Rev. Jeff Miller, will help you gain a meaningful view of scripture and deeper appreciation of the life-changing power of God’s written word.

M*A*S*H still remains one of the most popular television shows of all time. M*A*S*H depicted life at a Mobile Army Surgical Hospital during the Korean War.

Mobile—Army—Surgical—Hospital are profound adjectives for the church in the twenty first century. During November, Pastor Jeff will be preaching on these adjectives and their relevance for the church.

What is the Outreach Team?

As part of our HCI prescriptions we are asked to create 4 Outreach events, 2 on site and 2 off site in an effort to increase awareness of who we are and what we do. The Outreach Team is heading up these events and has jumped in with both feet sharing the love of Christ and the joy of FUMC Killeen in a great big way.

On Saturday, September 13, 4 members of the Outreach Team, 6 staff members and 4 youth represented FUMC Killeen at the Harker Heights Chamber Food, Wine, and Brew Festival. We offered FREE face painting (for ALL ages), FREE popcorn, candy, and even some door prizes. We walked the grounds and interacted with the community and other local vendors. Pumpkin Patch flyers were passed out along with information about our church.

We had so many wonderful conversations with people and began developing some new relationships. We received so much positive feedback about our church and Pumpkin Patch. People even commented that we were the only church represented out there and they thought that was pretty cool. The coordinator of the event was thrilled with our contribution to the event and invited us to return next year and go even bigger with our presence. It was amazing to be a part of this and to watch others truly live into our mission of “Making New Disciples of Jesus Christ for the transformation of the world.”

Next event....... The Outreach Team will be out on foot during the week of September 21st thru 27th delivering special flyer invitations to our neighbors to attend the PJ's in the Patch Movie Night. We have specifically selected the neighborhood across the street from the church behind the Boys and Girls Club. Each neighbor will be visited by a team of Outreach members presenting them with the flyer, a special bookmark, and a personal invitation to this FREE event.

On October 3rd, PJ in the Patch night, the Outreach Team will provide FREE popcorn, a FREE sucker pull for a chance to win a pumpkin gift card, and FREE water and Orange drink (donated by McDonald’s). We will be greeting everyone with welcoming smiles, loving words, and personal greetings.

After the movie, the Outreach Team will pass out flyers to everyone detailing all of the major events of our church from now until Christmas Day. What a great way to reach out to others and let them know the love of Christ. Everyone is encouraged to come out to PJ’s in the Patch and meet your neighbors. - Pastor Cynthia

Compassionate Care

Compassionate Care Ministry – YOU can Help

Yes, FUMC Killeen cares for its members, guests, and neighbors. However, we need your help so that this ministry will continue to thrive! There are many areas where you can sign up to help on an as needed basis. Cards can be found on the Donut table and the Welcome Desk. Here are few areas explained:

Loaves of Love delivery – once a month deliver a loaf of bread and some information to a new guest that has visited for the first time. This is not an extended visit, simply a warm welcome that we noticed they attended and wanted to welcome them to come again.

Hospital Visitation – this can be as often or as little as you have time – making a brief visit to someone in the hospital that is staying overnight. Just to stop in and let them know the church is thinking about them and praying for them. We have prayer squares you can give to them as well.

You do not have to be a member to serve in Compassionate Care Ministry. For further information please contact Beverly Tuggle.

Prayer Squares
It’s amazing that a prayed upon, small, simple piece of cloth, can give a large amount of comfort. A prayer square is a small square of fabric sewn together with a thin layer of quilt batting and a cross inserted between the layers. They can be carried in your pocket, your purse, sit on your desk or held during a medical procedure.

We are in need of helpers for this ministry. You don’t have to sew to help. If interested please call Laura Winckel 681-8239.

Stephen Ministry
Stephen Ministry is a ministry in which people with special gifts for caring ministry can put those gifts to use in an organized way, bringing Jesus’ love and care to those who most need it. If you know someone who is going through a difficult time, contact one of our Stephen Leaders, Laura Winckel or Ron Cole about Stephen Ministry. Our Stephen Ministers are ready to provide focused, confidential, one-to-one Christian care—to help that person experience the healing power of Christ’s love.
Compassionate Care/Radical Hospitality

Radical Hospitality Ministry

A Note from Sarah:
Check this out! One of First UMC’s students has taken the phrase of “be(ing) the church” to heart. I was recently made aware of how one student’s actions have helped another student feel accepted and valued. One of our students noticed that there was a deaf student in her school that wasn’t interacting with anyone, and others were beginning to make fun of him for being different. That’s when she took matters into her own hands; she went home and was talking with her mom about this, her mom pointed out that you can watch baby sign language on YouTube. This student decided to watch some sign language videos then go back to school and have a small conversation with this boy. She has since continued to learn and the conversations have slowly grown from a simple “Hi” to more of actual conversations! Our students are impacting lives in the community!!

doing something about the situation. (See Nehemiah 1). Nehemiah goes back to his homeland to rebuild. God gave Nehemiah the success he prayed and worked for.

God never settles for brokenness or leaves our lives with pieces missing. God sent his son into the world to bring wholeness, in other words so there would be no missing pieces. The word salvation in the Bible also can be translated wholeness. Wholeness is God’s business; it is what God is about. If you are one of those for whom it seems there are pieces missing to the puzzle, if you are experiencing brokenness, pain or deep struggles, I invite you to experience the wholeness that comes from a life in Christ. I invite you to talk with me about a life in Christ. It is a blessing to serve you!

See you at the place of putting the pieces together!
