## Disciple Bible Study Class

### Begins Oct. 2

Disciple Bible Study is an intense but extremely meaningful experience. If you have ever wanted a comprehensive study of the entire Bible then this is the class for you.

It is a journey that you will undertake with 8-14 other pilgrims as you journey through the scriptures for 34 weeks.

Yes! It is a commitment but it will transform your life and the way you look at the Bible. You will be taught how to read, discuss and apply the scriptures that you hold dear to you.

Each class is approximately two hours long. The class will begin on Oct. 2 at 4:30 pm. That is a Sunday afternoon. Elaine Passman has graciously agreed to facilitate the class.

Cost \$35, arrangements can be made if you cannot afford it

## Service Leaders Needed!

I need people to help me out. With only one pastor for an unknown amount of time, there is a need to have people to assist in leading the worship service for the non-musical parts.

At the traditional services this means things like the call to worship and affirmation of faith. At the contemporary service it means the welcome/announcements and any other special parts of the service. I am calling this person the service leader as to not confuse it with our musical worship leaders.

This group of people would also meet once a quarter to help set the direction for the worship services for that quarter. I am recruiting people for each of the three worship services. Please email me at
